

# MINOS XT

DESIGN FOR GAMING ENTHUSIASTS

Minos XT is a nimble and powerful gaming mouse, ideal for those who enjoy an agile gaming experience.

## First-Rate Quality

This gaming mouse has been built to last. Behind its two main buttons are two original gaming switches guaranteed to last for at least 20 million clicks.

## Great Accuracy

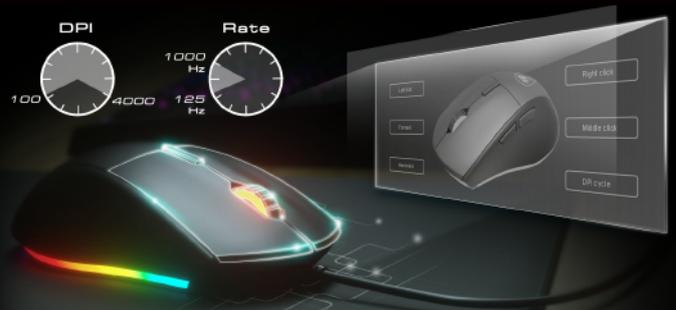

The ADNS-3050 optical sensor has been designed especially for gamers. With the possibility of adjusting the DPI level up to 4000 DPI, you will be able to fine-tune its performance to achieve the ideal balance between speed and precision.

## Powerful RGB Lighting

Minos XT's backlit area allows you to create the best gaming atmosphere for your gaming area. Choose one of the seven wonderful preset modes we prepared for you and enjoy the show!

## Six Fully Customizable Buttons

Minos XT supports the legendary COUGAR UIX, the best gaming device management system on the market. A user-friendly interface and full customization of its six buttons including macros, shortcuts, and more open a new world of possibilities.
